4th Degree Black Belt, 1994 Bushido Award

Sensei Tom trained at American Jiu Jitsu Centers for more than 15 years. He tested for the rank of Nidan, Second Degree Black Belt and he was actively preparing for Sandan. He was proudly honored with a Master's Rank of Fourth Degree Black Belt in American Jiu Jitsu.

Sensei Tom was a respected teacher, student and friend and was awarded in 1994 with the Bushido Award - the highest honor you could achieve in American Jiu Jitsu. Bushido is the "way of the warrior" and Tom was a true warrior and friend.

We are fortunate to have had someone like Tom touch our lives and we're happy to know that he has touched many others as a valued member of the NYPD, and, most importantly, as a loving family man, husband and father.
