

WHAT IS JIU JITSU?

American Jiu Jitsu is the art of self-defense. From a physical point of view American Jiu Jitsu is the best art for a person to defend himself or herself, because it takes no strength or size to achieve. Jiu Jitsu translated means, "The Gentle Art". From a mental point of view, it teaches you to develop self confidence, improve self esteem, relieve stress, improve quality of life and for children to improve grades and attention span by developing their ability to focus.

WHAT IS THE DIFFERENCE BETWEEN JIU JITSU AND OTHER MARTIAL ARTS?

Other martial arts if taught correctly are good; the biggest difference with Jiu Jitsu is that we focus on self-improvement through personal achievement instead of competition.
